Please go ahead and finalize the program. IIS agrees to reimburse an amount of **Rs.10000.00 (Rupees Ten Thousand only)** as a token grant for this program on successful submission of the program report, some pictures of the event and statement of accounts, along with self-attested original bills on completion of the program (soft copy should be sent by email to iis.secretariat.2018@gmail.com) and hard copy to the undersigned address.

Dr. Uma Kanga, Associate Professor and Treasurer Indian Immunology Society,

May I add that the funding for this program will only be released to the life member of Indian Immunology Society. Also, please encourage more faculty and students to become member of IIS.

Organising secretary may kindly note following points while conducting the program:

- The Organizers are advised to spend funds judiciously for encouraging the students' participation (awards/medals/certificates/refreshments etc.) in events rather than elaborate lunches/high tea etc.
- As far as possible the local resource persons should be invited to give talks to reduce the expenses on travel. In addition, avoid giving honorarium to resource persons however nominal travelling allowance within budget may be permissible.

Thanks & best wishes for the program.

Sincerely,
Amit Awasthi, Ph.D
Secretary, IIS
