International workshop on “Bamboo Entrepreneurship for Livelihood & Sustainable Development” on 18 September, 2021

Department of Forestry, Dolphin PG Institute of Biomedical and Natural Sciences Dehradun, Uttarakhand, India organized International Workshop on Bamboo Entrepreneurship for Livelihood & Sustainable Development to commemorate World Bamboo Day on 18th September, 2021. 75 students and 13 Faculty & Guests participated in the workshop.

Bamboo Architects Mauricio Castaño and Ms Mariana Esquivel spoke on Development of Bamboo Eco-village, Tulum, Quintana Roo, Mexico. Architectural designing using regional and traditional bamboos considering biomechanical properties, green economies and environment of harmony with nature in particular plays very important role in developing environmental friendly bamboo eco- villages and homes. This was presented marvelously with illustrations by invited experts from Mexico with bamboo modeling as pre-requisite.

Ms Sangeeta Agasty, Regional Director (South Asia), International Bamboo and Rattan Organization shared her views on Value Chains and Clusters for Sustainable Entrepreneurship in bamboo sector. She stressed on 3 pillars of economy, namely policy support system, bamboo enterprising in India and Academia. Her reference to the endeavors of Dolphin Institute, Dehradun (DIBNS) for the cause of bamboo accrediting educating on different aspects of green gold was highly inspirational.

Ms. Terakchi K Marak IFS, Meghalaya State Forest Department, India talked on socio-economic importance of bamboos of indigenous people of Meghalaya. She talked on the socio-economic aspects of Bamboo wrt indigenous community of Meghalaya, NE state of India. She also emphasized on community, diversified uses and dependent population with concern on lacunae on aspects of MSP, Royalty, Marketability etc.

India. Student Panelists Ms Anshika Kaushik, PGD trainee, IIPRTI, Bengaluru, India and Mr. Ashutosh Lohani, Himalaya Forester & Ms. Indu Singh, Ph. D. Scholar, Forest Protection

Division, Forest Research Institute, Dehradun were also invited to become part of discussion. They made short presentations based on their respective field of research and extension pertinent to bamboo pest & its integrated management, patenting regime wrt to sustainable livelihood, impact of climate change, developing bamboo enterprise towards becoming bamboo entrepreneur. Student panelists' discussion aimed at motivating students for the cause of bamboo through career and practices.
