

## Empowerment of Financially Weaker Meritorious Section through Free ship

The vision and mission of the Dolphin Institute is focused on creating an educated, ethical and prosperous society by imparting higher education to the youth, which shall lead to gainful employment and entrepreneurship thus ensuring overall development of the civil society at large.

“Education is the most powerful weapon which you can use to change the world.” said Nelson Mandela. Education is the medium through which we can change the world. It helps us to turn weakness into strength, failure into success. It helps us in identifying problems present around us in our society and also helps us in searching for their solutions.

Care is being taken at the Institute that financial constraint of meritorious students does not hamper their dreams of achieving their goals of life. Hence as per the decision of the Management Committee such students are provided free ship for the whole duration of their course of study. Besides waiving off the tuition fee of Anil Mardi, a student of B.Sc. Forestry 3<sup>rd</sup> year, free of cost lodging and boarding at the Institute’s hostel has been provided right from his first year of study.

Also, under Staff Welfare Scheme wards of the staff are provided free ship to pursue their higher education at the Institute.

During the Academic Session 2021-22, 44 young minds were given free ship amounting to Rs. 25,65,000/- to pursue higher education at Dolphin Institute.

### Details of students being provided free ship during 2021-22
