

Seminar on “IPRs – An Overview”

A Seminar on “IPRs – An Overview” was conducted by the Department of Biotechnology on 30th December, 2022. **Dr. Arun Bhatt, Associate Professor, Department of Biotechnology, GB Pant College of Engineering, Ghurdauri, Pauri Garhwal** delivered a talk on **Intellectual Property Rights**. He explained the basic concept of IPRs and then discussed all the forms of intellectual property rights in detail like Patent, Copyright, Industrial design, Trademarks, Trade secrets, Geographical Indications etc. He elaborated the patentability criteria along with the patent filing process on national and international level as well. Dr. Bhatt discussed importance of traditional knowledge and its impact on Patenting process also. He also made special mention about PPVFR Act related to Biodiversity and Variety Registration. His lecture on the subject was highly informative for the students. A total of 133 students from various departments viz. Agriculture, Biotechnology, Botany, Forestry and Microbiology attended the lecture. The students interacted with the speaker about the IPRs and various career opportunities available in this particular field. The participants of the seminar were provided certificates of participation.
