Event Report

Title	Exploring Bioactive Compounds: Unveiling the Path to Drug Discovery and the Nexus with Intellectual Property Right (IPR)
Name of the Activity	Seminar
Date	6 th June 2022
Venue	Auditorium
Organized By	Department of Pharmaceutical Chemistry and Chemistry
Resource Person	1. Dr. Deepak Kumar Gupta, Associate Professor, Department of Pharmaceutical Sciences, Solani University, Solan 2. Dr. Dhiraj Bisht, Assistant Professor, Department of Pharmaceutical Science, Kumaon University, Nainital Uttarakhand.
No. of Participants	30 Students 04 Faculties
Course Objective	Knowledge about Bioactive compounds. Learn about Intellectual Property Right.
Course Outcome	The seminar was very informative and provided the students with enormous knowledge on various aspects of Bioactive Compound in the recent advancements in Drug Discovery. Students also understood about Intellectual property right in the field of chemical sciences.

To,

The Principal,
DIBNS,
Dehradun.

Sub: Permission for conducting Seminar on 6th June 2022

Respected Madam,

We would like to inform you that Department of Pharmaceutical Chemistry and Chemistry is going to organize seminar on Exploring Bioactive Compounds: Unveiling the Path to Drug Discovery and the Nexus with Intellectual Property Right (IPR) on 06-06-2022. In this context we request you to allow us for same.

Thanking you.

Your's sincerely,

Dr. Deepak Kumar

CIRCULAR

DIBNS/PHARMA/WORKSHOP/2022-23

Date: 03/06/2022

This is to inform you that Department of Pharmaceutical Chemistry & Chemistry is going to organize a seminar on Exploring Bioactive Compounds: Unveiling the Path to Drug Discovery and the Nexus with Intellectual Property Right on 6th June 2022. You are cordially invited and requested to convey to all students of your department.

Schedule of event:

Topic: Exploring Bioactive Compounds: Unveiling the Path to Drug Discovery and the Nexus with Intellectual Property Right

Guest Speaker: 1. Dr. Deepak Kumar Gupta, Associate Professor, Department of Pharmaceutical Sciences, Solani University, Solan
2. Dr. Dhiraj Bisht, Assistant Professor, Department of Pharmaceutical Science, Kumaon University, Nainital Uttarakhand.

Date: 6th June 2022

Time: 11:00 AM

Venue: Auditorium

Dr. Deepak Kumar

(HOD)

CC to:

1. Chairman office (for kind information please)
2. The Principal Office
3. The Director Office
4. IQAC Coordinator
5. All HODs

Speakers

Dr. Deepak Kumar Gupta, Associate Professor, Department of Pharmaceutical Sciences, Shrihar University, H.P. (Catechun Anticancer Design and Synthesis)

Dr. Dhanya Bhat, Assistant Professor, Department of Pharmaceutical Sciences, Ramjam University, Nantial; Natural Products and Bioactive Molecules in Drug Discovery Process Past & Current Paradigm.

Convener & Speaker | Dr. Vensha Pancha, Professor, Department of Pharmaceutical Chemistry & Chemistry, DIBNS; Overview: Natural Products Backbone of Drug Discovery

Chief Patron: Shri. Arvind Gupta, Chairman
Patron: Dr. Shailja Pant, Principal
Convener: Prof. Vensha Pancha

Organizing Committee:
Organizing secretary: Dr. Raju chandra
Member: Dr. Deepak Kumar
Member: Dr. Ritu Singh
Member: Mr. Uday kumar

Introduction:

Dolphin (PG) Institute of Biomedical and Natural Sciences, Mandawala, Dehradun, Uttarakhand, India is organizing seminar on 8th June, 2022. The seminar will emphasize on the theme Role of Bioactive Products in Drug Discovery. This seminar will provide an excellent platform to eminent scientist, researchers and students of the concerned subject.

Objectives of the Seminar

The major objective of this seminar is to provide a common platform and an opportunity for young researchers, faculties and post graduate students of concerned area to interact with experienced academicians to exchange their views and ideas in the field of drug discovery. The seminar will also provide guidelines to students for choosing Natural Products a promising area of research.

Themes of the Seminar: Bioactive Compounds - Path to Drug Discovery

Targeted Participants:

Concern faculties, research scholars, scientists, post graduate students of Pharmaceutical Chemistry, Chemistry Botany, Forestry, Zoology, Biotechnology, Microbiology, Biochemistry etc.

Eminent Speakers

Dr. Deepak Kumar Gupta, Associate Professor, Department of Pharmaceutical Sciences, Shrihar University, H.P.
Dr. Dhanya Bhat, Assistant Professor, Department of Pharmaceutical Sciences, Ramjam University, Nantial
Dr. Vensha Pancha, Professor, Department of Pharmaceutical Chemistry & Chemistry, DIBNS

About the Institute

The Dolphin (PG) Institute is spread over an 87 acres of pure lush green belt in the outskirts of Dehra Dun and surrounded by a thick forest cover. The Institute is affiliated to H.N.B. Garhwal Central University, Sonugar, Uttarakhand and is accredited by UGC, NAAC B++ (2nd cycle). It is also approved and recognized by the State Govt. of Uttarakhand. The Institute is approved by Indian Association

One Day Seminar on

EXPLORING BIOACTIVE COMPOUNDS

Unveiling the Path to Drug Discovery
and the Nexus with Intellectual Property Rights (IPR)

8th June 2022

Organized by
Department of Pharmaceutical Chemistry & Chemistry,
Dolphin (PG) Institute of Biomedical
and Natural Sciences, Dehradun

of Physiotherapists (IAP) Mumbai, and National Council for Teachers Education (NCTE), Jaipur. Dolphin Institute offers a large number of job/career oriented UGC approved courses in the field of Physiotherapy, Medical Lab Technology, Microbiology, Medical Microbiology, Botany, Zoology, Agriculture, Horticulture, Biotechnology, Biochemistry, Pharmaceutical Chemistry, Chemistry, Forestry, Physic, Education and Commerce. The institute is committed for providing quality education to the young students and to develop them as professionals in biomedical and natural sciences.

About the Department of Pharmaceutical Chemistry & Chemistry

Dolphin holds the privilege of introducing the Department of Pharmaceutical Chemistry & Chemistry since 2003. The Department of Pharmaceutical Chemistry & Chemistry has been a centre for excellence due to its high placement record & inventory presence in the field of research and publications. The Department has a strong faculty base specialized in various fields of Chemistry from reputed Universities/Institutes. The faculty is also actively engaged in research & outcome of this research is visible in the form of publications in International & National journals of high impact repute. The faculty is acting as resource person in various workshops & symposium. Research grants of several lakhs have been sanctioned to various faculty members by prestigious organizations like Department of Scientific and Industrial Research, Ministry of Sciences and Technology, National Medicinal Plant Board, Department of Ayush, Ministry of Health, New Delhi and Uttarakhand Council of Science & Technology (UCOST), ICFRE etc. Few students have been enrolled for Ph. D. programme from different universities under the supervision of faculty members. The Department is actively involved in Research areas such as:

- Phytochemical isolation, identification of active principle from medicinal plants and Pharmacological screening of various medicinal plants of Uttarakhand
- Synthesis and evaluation of biological activities of various heterocyclic compounds
- In-vitro Evaluation of dosage forms: Development of novel drug delivery system (Transdermal, Sustained release drug delivery and lipophilic techniques)
- Analytical Analysis

Attendance Sheet/List of Participants

S. No.	Name of Student	Present/Absent
1	Shivani Kashyap	P
2	Kishan Pandey	P
3	Shubham Rana	P
4	Kumar Gaurav	P
5	Ajay Rana	A
6	Satyam Kumar	P
7	Rajan Kumar	P
8	Nirmala Chapagai	A
9	Hritik Garg	P
10	Zermit Lepcha	A
11	Yogesh Kumar	P
12	Navnit Yadav	P
13	Shreyashi Hazra	P
14	Gaurav Kumar	A
15	Ritik Gupta	A
16	Sakshi Pal	P
17	Vishal	P
18	Anchal Chandel	P
19	Asha Sharma	P
20	Attamchi K Momin	P
21	Choknya Zirdo	P
22	Deeksha Dangwal	P
23	Garima Barwal	P
24	Kiran Sharma	P
25	Kristi Rajput	P
26	Muskan Singh	P
27	Naina	P
28	Nikki Aayera Ali	P
29	Pooja Panwar	A
30	Yashika Sharma	P
