### **About Workshop**

Intellectual Property Rights (IPR) plays a vital role in enhancing the socio-economic prosperity of the country. Creativity and innovation are new drivers of the world economy. With the increasing relevance of Intellectual Property (IP) in this era of globalization, it is important to recognize the role which IP systems play, in the growth of the Nation. Thus, there is a need to create large public awareness about the pivotal role of IPR in the globalized knowledge economy. We at Dolphin PG Institute have always strived for creating an excellent academic ambience by putting a high value on creativity and innovation. The institute in a short duration of time has established itself as a high-quality education provider with prime focus on holistic learning and research and innovation. The power to evolve innovations and thinking in an innovative manner can be augmented by means of creating Intellectual Property (IP) awareness amongst its stakeholders. Thinking in an innovative manner can be improved by means of creating Intellectual Property (IP) awareness amongst its stakeholders- Faculty members & the students, who are directly or indirectly involved in the process of innovation.

### **Objectives of the workshop**
