CIRCULAR

DIBNS/ B.Ed /2021-22

Date: 02/09/2022

Dear B.Ed students,

It is to inform all the B.Ed students about the upcoming webinar on “Design Thinking” scheduled to be held on 6th September 2022. This webinar aims to introduce you to the innovative approach of design thinking and its relevance in education. Design thinking is a problem-solving methodology that emphasizes empathy, creativity, and experimentation. In today's rapidly evolving educational landscape, the ability to think critically and approach challenges with a design thinking mindset is becoming increasingly essential. The webinar will cover the following areas :

1. Introduction to design thinking and its principles.
2. Exploration of the design thinking process, including empathizing, defining, ideating, prototyping, and testing.
3. Real-world applications of design thinking in educational contexts.
4. Interactive activities and discussions to enhance your understanding and application of design thinking principles.

We are delighted to announce that Prof. Balarama Durai will be our esteemed guest speaker for the webinar. He is a renowned expert in the field of design thinking with vast experience in both academia and industry.

The webinar will be conducted via digital platforms i.e Zoom ensuring accessibility for all students. We encourage all B.Ed students to participate actively in this webinar as it promises to be an enriching and insightful experience that will enhance your problem-solving skills and creativity.

We look forward to your enthusiastic participation in this webinar on Design Thinking.

(Dr. G.N. Sinha)

Event Report

Title	Activity under MOU (Next Generation Scientist Pvt. Ltd.)
Name of the Activity	Workshop on 'Bioinformatics: Gateway to Omics Era'
Date	27.05.2022
Venue	New Auditorium and Computer Lab
Organized By	Department of Microbiology
Resource Person	Mr. Abhinay Kumar Yadav, Founder and CEO of the Next Generation Scientist
No. of Participants	57
Course Objective	Bioinformatics is a new-age Biology subject which is offering excellent job opportunities in academics, pharmaceuticals industries and R & D organizations.
Course Outcome	Participants learnt a number of bioinformatics tools. The students installed the tools themselves on their desktops/laptops and executed these tools to perform practical exercises.

Event Report

Title	Internet of Things –Privacy Security and Governance
Name of the Activity	Workshop
Date	24-03-2022
Venue	Auditorium
Organized By	Department of Computer Science
Resource Person	Dr Pramod Kumar, Department of computer science, Krishna Eng. College
No. of Participants	107 students
Course Objective	It begins with an introduction to IoT and an overview of governance challenges. It then explores specific privacy and security risks .
Course Outcome	Security and privacy are important aspects of IoT networks. Given the widespread use of IoT devices in many fields, keeping the network secure is becoming increasingly important. Similarly, preserving data integrity is essential, especially when IoT sensors are used in the medical field.

Dear Sir,

On behalf of the organizing committee, we are pleased to inform you that the department of Botany is organizing a **one day workshop on Foldscope and its Applications** in collaboration with Department of Botany, RCU Gov. P.G. College, Uttarkashi, Uttarakhand, which will be held in Dolphin (PG) Institute of Biomedical and Natural Sciences, Manduwala, Dehradun, on **8th February 2019**. It aims to provide a great opportunity to share views and provide a common platform for faculties, young scientists, scholars and students of the concerned area.

The organizers encourage and welcome your enthusiastic participation and look forward to receiving contributions demonstrating in-depth multi-disciplinary technology towards new research and development.

Sir, keeping in view your vast experience in this field, we request you to kindly grace the occasion as a **Chief Guest** at our workshop on **8th February 2019 at 10.30 am** and give valuable guidance to our students and faculty members. We will be indebted by your benign presence.

The organizing committee will always welcome your valuable suggestions.

With sincere regards !

Sincerely yours,

(Dr. K.P. Tripathi)

Subject: Organization of one day workshop at your institution
To: mail@dolphininstitute.in

To,

Date : 06/12/2018

The Director/Principal
Dolphin Institute of Management
Dehradun

Sub.: Organization of one-day workshop on foldscope and micro-cosmos world

Dear Sir,

Department of Botany, RCU Government Post Graduate College, Uttarkashi is running a DBT sponsored project on foldscope, a folding microscope, its construction and utilization for Biodiversity evaluation of Ganga River. For its successful completion, we would like to organize a one-day workshop with collaboration of your institution (without financial support from your institution) in first week of February at auditorium hall of your esteemed institution for the students of your institution. It is requested that kindly suggest one date and allow us to organize one-day workshop in the first week of February 2019 at auditorium hall of your institution for the students of your institution and same shall be circulated among students. You can engage Department of Botany for the purpose. We will supply brochure of the workshop after your consent/approval for the circulation.

Thanking You and Regards

Sincerely
(Dr. Arun K. Agrawal)
Associate Professor and Head
Department of Botany
Government Post Graduate College, Uttarkashi
Mob. 9412077699, e-mail : renuka2003@hotmail.com

Date and Timings:

08th February, 2019 (Friday) From 10.00 AM to 4.00 PM

Program Schedule:

10.30 AM : Inauguration of workshop by Mr. Arvind Gupta, Chairman, Dolphin (PG) Institute of Biomedical and Natural Sciences, Manduwala , Chakrata Road, Dehradun (Uttarakhand).

11.0 AM : Inaugural address by Dr. Shailja Pant, Principal, Dolphin (PG) Institute of Biomedical and Natural Sciences, Manduwala , Chakrata Road, Dehradun (Uttarakhand).

11.15 AM : Inaugural address by Dr. Arun Kumar, Director, Dolphin (PG) Institute of Biomedical and Natural Sciences, Manduwala , Chakrata Road, Dehradun (Uttarakhand).

11.30 AM : Inaugural address by Dr. Arun K. Agrawal, Associate Professor & Head, Department of Botany, RCU Government Post Graduate College, Uttarkashi

11.50 AM : Vote of Thanks by Dr. K.P. Tripathi, Associate Professor & Head, Department of Botany, Dolphin (PG) Institute of Biomedical and Natural Sciences, Manduwala , Chakrata Road, Dehradun (Uttarakhand).

12.00: High Tea

12.30 to 3.0 PM: Foldscope construction and Slide Preparation and Popularization among the students particularly from the Post Graduate and Under Graduate Departments of Basic and Applied Sciences.

3.00 PM Valedictory Session: Closing of workshop and Vote of Thanks by Organizing Secretary

ABOUT THE INSTITUTE: RCU Government Post Graduate College Uttarkashi is located at the land of Lord SHIVA in the lap of middle Himalaya. The college was established on 30th June 1969 by Higher Education Department, Government of Uttar Pradesh with the sanction of three subjects viz. Physics, Chemistry and Mathematics, three lecturers and twelve students at undergraduate level. In fifty years of his history, presently the college is serving with seventeen post graduate departments, one undergraduate department and 2500 students. The college is serving in remote border area of Uttarakhand.

ABOUT THE DEPARTMENT: Department of Botany at RCU Government Post Graduate College Uttarkashi was came in existence in 1970 as undergraduate department. The department became post graduate during 1975-76. Till then, it is running continuously with six faculty members, two lab assistant and two lab attendants. The department is awarded FIST support from Department of Science and Technology, Govt. of India, New Delhi during 2017-18. The college has produced a number of Ph.D. during his history. Presently four research projects are running in the department with financial support of various funding agencies.

About Dolphin Institute: The Dolphin (PG) Institute is spread over on 07 acres of pure lush green belt in the outskirts of Dehra Dun and surrounded by a thick forest cover. The Institute is affiliated to H.N.B. Garhwal Central University, Srinagar, Uttarakhand and is accredited by UGC-NAAC. It is also approved and recognized by the State Govt. of Uttarakhand. The Institute is approved by Indian Association of Physiotherapists (IAP) Mumbai and National Council for Teachers Education (NCTE), Jaipur. Dolphin Institute offers a large number of job/career oriented UGC approved courses in the field of Physiotherapy, Medical Lab Technology, Microbiology, Medical Microbiology, Botany, Zoology, Agriculture, Horticulture, Biotechnology, Biochemistry, Pharmaceutical Chemistry, Chemistry, Forestry, Physics, Education and Commerce. The Institute is committed for providing quality education to the young students and to develop them as professionals in biomedical and natural sciences.

Conveners

Dr. S.K. Mangain, Principal, RCU Government Post Graduate College, Uttarkashi

Dr. Shalija Pant, Principal, Dolphin (PG) Institute of Biomedical and Natural Sciences, Dehradun

Organizing Secretary

Dr. Arun Kumar Agrawal, Associate Professor & Head, Department of Botany, RCU Government Post Graduate College, Uttarkashi

Dr. K.P. Tripathi, Associate Professor & Head, Department of Botany, Dolphin (PG) Institute of Biomedical and Natural Sciences, Dehradun

About Department: Botany: The department of Botany at Dolphin Institute offers 2 years post graduate programme in Botany. The course content includes Mycology and Microbiology, Phycology and Bryology, Pteridology, Gymnosperms and Palaeobotany, Taxonomy and Diversity of Flowering plants, Plant development and reproductive biology, Resource utilization, IPR, and Ethnobotany, Cytogenetics and Molecular biology, Plant breeding and biostatistics, Plant physiology and Biochemistry, Ecology and Remote sensing, RDT, Forest Ecology, Plant Health management, Conservation Biology, Biotechnology, Genetic engineering, Applied plant anatomy, Seed pathology, Environment Management with reference to Western Himalaya and Dissertation. A post graduate degree in the subject makes the person eligible to opt for a career in teaching or to take up research work in any prominent University. Besides, one can join any reputed organization as environment consultants, plant explorers, ecologists, conservationists, taxonomist, horticulturist, genetics, and plant biochemist, etc.

ABOUT FOLDSCOPE: Foldscope is an origami microscope designed and developed by Dr. Manu Prakash and Mr. Jim Cuiutski from Stanford University. It has multiple micro-lens kit capable of 140X to 2000X magnification and 1.9 micron resolution. It can be attached with smart phone allowing the user to take pictures with magnification. The magnification power of this pocket size microscope is enough to enable spotting of plant and animal cells and micro-organisms such as *Leishmania*, *Escherichia*, *Malaria Parasite* etc.

ABOUT DEPARTMENT OF BIOTECHNOLOGY, GOVERNMENT OF INDIA INITIATIVE ON FOLDSCOPE: The Department of Biotechnology (DBT), Ministry of Science and Technology, Government of India in partnership with Foldscope Instruments Inc. and Prakash Lab (Stanford) reached out to school students, teachers, scientists and citizen scientist from across India to support use of origami paper foldscope to popularize science and trigger excitement in it. DBT looks forward to hold more workshops and distribute the foldscopes to the most resource constraint schools and colleges of India. Eventually, in a couple of years, every student will carry a foldscope geometry box as part of the school kit.

WORKSHOP OBJECTIVES: The main objective of this workshop is to provide awareness and training on foldscope and its potential applications in biodiversity, ecology, agriculture and micro-organisms in human health. It shall provide the platform to the Principal Investigators across the country and research scholars for collaboration, twinning and exchange of ideas. In this event, utilization of foldscope in diversified areas of research and application could be explored.

WORKSHOP COURSE CONTENT: The workshop will chiefly cover the following categories: Visualization of uni-cellular and multi-cellular fungus, bacteria, protozoa, plant cells, animal cells, arthropods and exo-polymeric substances.

VENUE: Conference Hall, Dolphin (PG) Institute of Biomedical and Natural Sciences, Manduwala, Chakrata Road, Dehradun (Uttarakhand).

Workshop held on Foldscope and its Applications

By OUR STAFF REPORTER
 DEHRADUN, 22 Feb: A day-long workshop on 'Foldscope and its Applications' was organised by Department of Botany, Dolphin (PG) Institute of Biomedical and Natural Sciences, here, in collaboration with Government (PG) College, Uttarkashi. The objective of the workshop was to train the participants in Foldscope and its uses for the study of biodiversity, ecosystem, agriculture, and microbiology.

The workshop was inaugurated by Scientist in-charge Botanical Survey of India, Dr. AK Singh. On the occasion, he addressed the participants on botany and related plant sciences and also told the students to set their goals and work hard to attain them. He said Foldscope was a modern type folding microscope that could be

taken into the field for further research purposes.

Organizing secretary and HOD, Botany, Govt (PG) College, Uttarkashi, Dr. Arun Agrawal, added that this workshop would help the research scholars who had come from various institutes and help

in exchange of scientific ideas. He said that various topics would be covered during the workshop such as identification of microbes, multi-cellular fungus, bacteria, protozoa, plant, animal, cell, anthropods and exopolymers substances.

Organizing Secretary Dr. KP Tripathi released the proceedings of the 20th APSI scientists' meet and National Conference on Multidisciplinary Approaches on Plant Science. In this Principal, Dr. Shailja Pant elaborated on academic and research activities in the institute. The vote of

thanks proposed by Dr. KP Tripathi, Organizing Secretary and Head, Botany Department, Dr. Shruti Sharma, Dr. Vidit Tyagi, Dr. AK Pandey, Prerna Bahuguna and participants, faculty, students of various departments were present on the occasion.

POST EVENT REPORT

Title	Prokaryotic Diversity: An Unseen Majority
Name of the Activity	Guest Lecture
Date	28 th March, 2019
Venue	PG lab and Plant Tissue Culture Lab,
Organized By	Department of Biotechnology
Resource Person	Dr. Kailash N Bhardwaj Scientific Officer, I/c UCOST, Vigyan Dham Jhajra, Dehradun
No. of Participants	87 Students
Outcome	He explained in detail the basics of Bacterial Diversity and its identification.

CIRCULAR

DIBNS/BIOTECH/2018-19

Date: 25/03/2019

This is to inform you that Department of Biotechnology is going to organize a guest lecture by Dr. Kailash Bhardwaj, Scientific Officer, UCOST on 28/03/19. You are cordially invited and requested to convey to all students of your department.

Schedule of event:

Topic: Prokaryotic Diversity: An Unseen Majority
Resource Person: Dr. Kailash N Bhardwaj, Scientific Officer, UCOST
Date: 28th March, 2019
Time: 10:30 AM
Venue: Old Auditorium

Dr. Archana Vaishnav

Head, Department of Biotechnology

CC to:

1. Chairman office (for kind information please)
2. The Principal Office
3. The Director Office
4. IQAC Coordinator
5. All HODs
